END OF SECTION II

Section III

20 marks Attempt Question 25 Allow about 35 minutes for this section

Answer the question in a writing booklet. Extra writing booklets are available.

In your answer you will be assessed on how well you:

- demonstrate knowledge and understanding relevant to the question
- apply the hypothetical business situation
- communicate using relevant business terminology and concepts
- present a sustained, logical and cohesive response in the form of a business report

Question 25 (20 marks)

Evaluation Manufacturing and Mining Pty Ltd. is both a producer of earth moving equipment and heavy trucks, and has been involved in mining ore in Australia for over 10 years. Over the past three years, profits have been falling as a result of internal and external factors in both the domestic and global environment, including perceived lack of corporate social responsibility.

Whilst distributing mainly in Australia, they are looking to expand overseas and take advantage of increased demand for mineral ore. They have a number of factors that need reviewing..

- An understanding of factors impacting global financial management
- Corporate social responsibility, including
 - > the difference between legal compliance and ethical responsibility
 - environmental sustainability and social responsibility

You have been employed by Evaluation Manufacturing and Mining Pty Ltd (EMMPL) to prepare a report for management on the issues outlined above. In your report, analyse the influence of the global market on financial management and explain why corporate social responsibility is a key concern in operations management.

END OF SECTION III

Section IV

20 marks Attempt Question 26 or 27 Allow about 35 minutes for this section

Answer the question in a writing booklet. Extra writing booklets are available.

- In your answer you will be assessed on how well you:
- demonstrate knowledge and understanding relevant to the question
- apply relevant business case study/studies and contemporary business issues
- communicate using relevant business terminology and concepts
- present a sustained, logical and cohesive response

Question 26 (20 marks)

Explain the impact of globalisation on marketing management.

OR

Question 27 (20 marks)

Examine the advantages of a diverse, culturally competent workforce for a global business.

| • | Relate cause and effect; make the relationships between things evident; provide why and/or how a Gantt chart can be used in the transformation process | 2 |
| • | Sketches in general terms the how a Gantt chart can be used in the transformation process | 1 |

2014 Trial BS Marking Guidelines

Gantt Chart- Records the number of tasks involved in each particular project and the estimated time needed for each task .Effects-can compare actual progress to planned progress. Can be used to set specific dates for the completion of each stage of operation; may then be used to make critical decisions, used for production scheduling.

Question 24 (9 marks)

(a) 2 marks

Calculate and comment on the Gross Profit ratio for Sullivans Auto Parts Pty Ltd. (Show all workings).

| Criteria | Marks |
|---|-------|
| Ascertain/determine from given facts, figures or information with comments | 2 |
| Ascertain/determine from given facts, figures or information without comments | 1 |

Answer:

Gross Profit Ratio = <u>Gross Profit</u> x <u>100</u>

Sales

1

- = <u>\$275000</u> x <u>100</u> \$400000 1
- = 68.75%

Comment: generates 69 cents gross profit for every \$1 of sale, .or 69% of value of all sales

2014 Trial BS Marking Guidelines

(b) 3 marks

Calculate and compare the 2014 net profit ratio of Sullivans Auto Parts Pty Ltd with its 2013 results (show all workings).

| Criteria | Marks |
|---|-------|
| Ascertain/determine from given facts, figures or information the correct answer and comparison for net profit | 3 |
| Ascertain/determine from given facts, figures or information the correct answer and comparison for net profit with an error in the calculation | 2 |
| Ascertain/determine from given facts, figures or information the correct answer and comparison for net or gross profit with no working comment | 1 |

Sample Answer:

| Gross Profit Ratio | = | <u>Net Profit</u> x 100 | |
|--------------------|---|-------------------------|------------|
| | | Sales | 1 |
| | = | <u>\$20000</u> x | <u>100</u> |
| | | \$400000 | 1 |
| | = | 5% | |

Comment:

Sullivans Auto Parts Pty Ltd generates 5 cents net profit for every \$1 of sale or 5% on sales; which is below the 2013 result of 12 cents net profit for every \$1 of sale or 12% of sales

(d) 4 marks

Recommend ONE cost control and ONE revenue control that can be adopted by Sullivans Auto Parts Pty Ltd. to improve profitability

| Criteria | |
|--|---|
| • Provides ONE reason in favour for the chosen method of cost controls and ONE reason in favour for the chosen method of revenue control that can be adopted by Sullivans Auto Parts Pty Ltd. to improve profitability | 4 |
| Provides ONE reason in favour for the chosen method of cost or revenue controls and sketches in general terms the other | 3 |
| • Sketches in general terms ONE a method of cost control and ONE a method for revenue control that can be adopted by Sullivans Auto Parts Pty Ltd. to improve profitability | |
| • Sketches in general terms ONE reason in favour for the chosen method of cost controls or ONE reason in favour for the chosen method of revenue control that can be adopted by Sullivans Auto Parts Pty Ltd. to improve profitability | |

Sample Answer:

Cost controls: Fixed and variable costs

Cost centres

Expense minimisation

Revenue controls: Sales/Marketing objectives
